

BRIAN AMBROSE  PHOTOGRAPHY

WEDDINGS *by dominique*

hello there !!

Dominique

I am Dominique & I am so happy your Wedding planning journey has brought you here!

If you have any previous experience with Brian Ambrose Photography then I'm sure this is not the first time we've met! What you might not know about me is that I always had a passion for photography, fashion, precise planning, traveling to beautiful places, & focusing my lens on all the small details that make up the bigger picture of life. *Luckily Weddings is where all these favorite things come together!*

I have spent my whole career in the wedding industry. In fact my very first job was at Mariella Creations! I decided to pursue my love of Photography at UConn where I received my degree in Fine Art. *Go Huskies!*

After college I knew I wanted to return to Weddings and as fate had it Brian Ambrose Photography had an opening for a staff photographer! From there the rest is history!! I learned from Brian and his team and quickly picked up all there was to know! After 8 years photographing Weddings I'd consider myself an expert! My background in Art, Fashion, & focus on the details allows me to tell the story of your Special Day through creating beautiful imagery.

I just love to talk all things Weddings - email me anytime throughout the planning process and I will be happy to reply with my best advice!

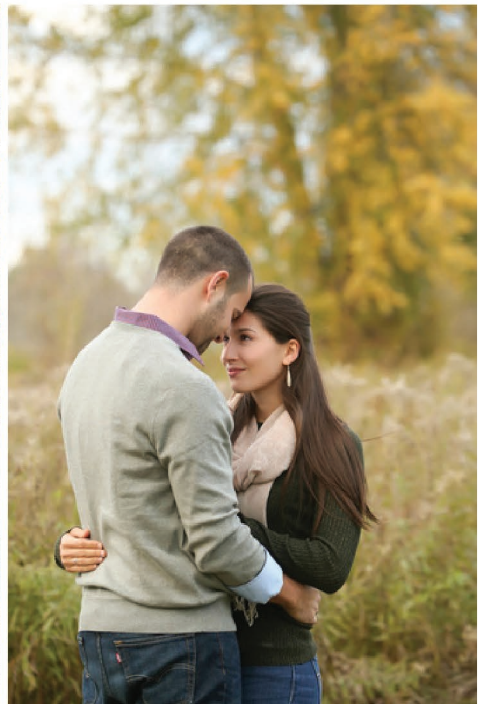

Brian

Brian Ambrose has photographed too many weddings to count! Growing up in his parents Flower Shop - he has been around Weddings his whole life! After 6 years of working with a prominent local wedding photographer he decided to open his own studio! In 36 years of owning a Photography business he has seen the Wedding Industry grow and evolve through the years!

He has perfected his skills in directing people from behind the camera! He can make your grumpiest Uncle and your most skeptical Niece smile from ear to ear! On Wedding Day you will find him in the middle of all the action and capturing the best candid dance floor photos!

Congratulations on your engagement!
